

Vermont Agency of Agriculture, Food, and Markets - Consumer Protection Violations, 2013 - present

Definitions used in the violation chart are as follows:

Scanners – Price scanning systems charge a different price than is posted. Violations are over 2% errors.

Short Weight – The weight stated on the package must reflect the weight of the product only, excluding the weight of packaging.

Seals – Meters found with no security seals.

Short Measure – Meters deliver less than the amount on the meter.

Maple – Product found to be out of grade for density, color, clarity or flavor.

Eggs – Product found to be out of grade for size, cracks, dirty eggs, etc.

Paid – Paid Penalty / No Hearing

AOD – Assurance of Discontinuance

Pre Hearing – Meeting to discuss the violation and come to an agreement

Dismissed – Case dropped
